

## NiteRider™ HID Pro 40 Light System

Flexible, underwater switchable 10/20/30 or 40 watt HID Lighting System

The HID Pro 40 is sets a new standard in underwater lighting. With dual beams in two light heads, the HID Pro 40 changes on demand between 10, 20, 30 and 40 watts of powerful HID illumination. Adjust the output to suit your specific needs: extra long burn times at 10 watts, or penetrating power at 40 watts (equivalent to 160 watts of halogen). Of course, the robust and reliable reputation of the NiteRider™ brand is inherent in the HID Pro 40, able to stand up to the punishing demands of technical, military, cave and commercial divers.
